ABOUT THE FOUNDATION

The **Forsgate Foundation** is a non-profit organization. Its purpose is to provide support to worthwhile causes in our community through use of the first-class venue and rich history of Forsgate Country Club. The **Forsgate Foundation** Charity Golf Classic is the inaugural event of the foundation and all profits from this and future event proceeds will benefit local charities.

ABOUT THE CHARITY

Special Olympics New Jersey

For over three decades, Special Olympics New Jersey has been helping children and adults with developmental disabilities and their families connect with opportunity and achievement.

More than 13,500 athletes from over 400 communities in New Jersey participate in Special Olympics. They learn skills, experience the trials and triumphs of sports, and find talents within that others did not think possible.

Today with the new Special Olympics New Jersey Sports Complex we offer more sports participation, education and connections for athletes, their families, volunteers and the community. Today we are creating an even bigger network of opportunity.

Special Olympics New Jersey's mission is to provide year-round sports training and athletic competition in 23 Olympic-type sports for children and adults with mental retardation or other closely-related developmental disabilities.
